NWN – Northwest CW Net is a nightly social and QTC “mop-up-net” comprised of ops from many well-established nets. Even if you're not a member of another net, you're welcome here.

For now, all it takes is a single check-in to make the roster.

NCS Stations are W7GB, NG7I, W7IZ and N7KC. That's 4 stations for 7 days. We can fit 3 more ops if you're interested in running NWN. Please contact me - Patrick NG7I sbus1313@gmail.com and I'll get you on the roster.

If you're not in the Northwest, just think of NWN as “Net Without a Name” -hi
