We added Carole [KC7CW](#) on the 2nd. Randy [WB4SPB](#) has checked in a few times and is on the Occasional Checkin list. Welcome to NWN Carole and Randy!

Still looking for space to host a webpage. I've reached out to a few folks so hopefully I'll have something to show you this fall.

We've added Dan N0DA as our Sunday NCS. Thank you very much Dan for volunteering to do that. Always a strong signal up here too.

If anyone is interested in becoming an NCS, please contact me - Patrick NG7I sbus1313@gmail.com and I'll get you on the schedule.

If you're not in the Northwest, just think of NWN as "Net Without a Name" -hi
