Roster is unchanged for August.

Still working on the *Standards and Practices Document* as I can find time. Had a burst of inspiration and got quite a bit finished but still not quite enough to present to you guys yet.

Almost had a full house on the 12th of July. Had 12 QNI's. 13 would be everyone on the QNA list. The last time we had a full house was Oct 2nd, 2023.

If anyone is interested in becoming an NCS, please contact me - Patrick NG7I sbus1313@gmail.com and I'll get you on the schedule.
