I would like to officially welcome Don NI6A from El Cerrito, California and Terry N7TB from Salem, Oregon to NWN!

I reached out to Lorne to see if he wanted to be put on the occasional list and he said he'd be back in a few weeks once Canada thaws out -hi.

Randy has checked in 5 times in February and a total of 15 times since September when he first checked in, so he's in the regular QNA list now.

If anyone is interested in becoming an NCS, please contact me - Patrick NG7I [sbus1313@gmail.com](mailto:sbus1313@gmail.com) and I'll get you on the schedule. Thank you Carole for NCS'ing on the nights I couldn't make it 😊

...

If you're not in the Northwest, just think of NWN as "Net Without a Name" -hi

Best 73,  
Patrick NG7I
