Stats: QNI's were lower this month than last, by 20 check-ins, with QTC's down by 12. However, average daily checkins went from 7.61 to 7.71.

Condx were have been much better! I haven't needed the SDR or the amplifier quite as much which is a good sign.

Dan N0DA, Lee N7KC and I hit **every** NWN session in February. Our best turnout was 11 on Feb 28th.

If anyone is interested in becoming an NCS, please contact me - Patrick NG7I sbus1313@gmail.com and I'll see about getting you on the schedule. *If you want to try it, just ask.* The existing guys might just let you have their slot! If it turns out to be too much then we'll take it back no problems.

If you're not in the Northwest, just think of NWN as "Net Without a Name" -hi

Best 73,
Patrick NG7I
